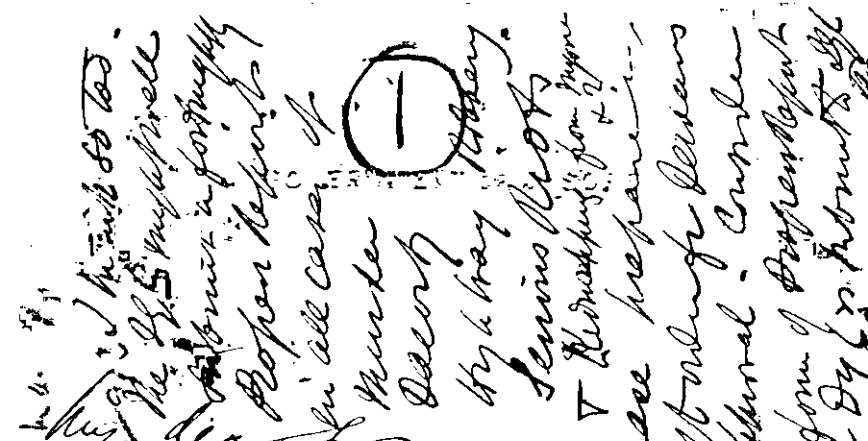
SUBJECT.

Statement of heinous offences Committed in Mysore.

Orders



I am informed
that many murders and
Robberies Committed
within the last 2 or
3 years in the Province
remain undetected
and an impression is
gaining ground
that the Police are extremely
lax in their work

means of preserving the number of heinous offences committed in the Province and bringing them remaining to be detected. It is true we get an annual Police report but it is received so long after the close of the year that it is of little use for immediate

practical purposes -

I would therefore
suggest the issue of an
order to the Inspector
of Police to submit
monthly or ~~fortnightly~~
statement showing the
number of heinous offence
committed in each Dt
and the number detecte
greater details are
not needed lest we
may be considered
as trenching upon

the functions of
Inspector of C. of C.
The receipt of
statement of the kind
of the demand and the
occasional cash
from him will make
the operations more
active and keep them
in good trim
